

1 Peter 2:11~25. Suffering is precious.

1. The Background

- a. Peter introduces the key Christian life principle: Turning away from our old life and glorifying God through our good deeds.
- b. An example of a good deed: Submitting ourselves to the authority.
- c. The suffering we can face in our dilemma.

2. The purpose: following and imitating Jesus.

3. How God motivates us to follow Christ in our suffering.

- a. The value of suffering in Christ.
- b. God causes everything (even our suffering) for the good of His people.
